

**Minutes of the Steering Committee Conference Call of the
Northern California GeoMedia User's Group
May 19, 2004 2:00 – 3:00 p.m.**

Participants:

Eric Bayer, Jeff Hobbs, Alan Rich, Lysee Moyaert, Kevin Briggs

Meeting comes to order at ~ 1:00

Discussion of next meeting scheduled for July 7, 2004

The group decided that the next major meeting of the NCIGUC would be on July 7, 2004 from 10:00 AM to 3:00 PM. The location of the meeting will be the San Mateo County offices in Redwood City.

A tentative agenda for the meeting was agreed upon. I took the liberty of adding an opening statement and breaks.

10:00 AM - 10 Minutes – Opening Statement (Adam Lodge or Eric Bayer)

10:10 AM - 25 Minutes – GeoMedia and GeoMedia Pro 5.2 Delta Update – Jeff Hobbs

10:35 AM - 25 Minutes – Speaker provided by Eric Bayer

11:00 AM - 10 Minutes – Break

11:10 AM - 25 Minutes – Pavement Management System – Adam Lodge

11:35 AM 25 Minutes – On-Demand Software Pilot – Barbara Sieg

12:00 PM – 45 Minutes – Lunch

12:45 PM – 1-2 Hours ISRU 5.2 Hands-on Seminar (Jeff Hobbs?)
Working with Raster Imagery – (DOQ, GeoTiff – Adam) (MrSid, World,
ECW – Alan) Ikonos?

Possible Future or Backup Presentations

The group also agreed on the following backup presentations or those to be considered for the Fall meeting:

Apn Lookup – Patrick Crevelt (preferably for the Fall meeting)

GeoMedia Fusion

Brad Douglas – SJC

Hansen Interface – Adam Lodge

Enterprise Database for Emergency Management

Metadata

ACTION ITEMS

Jeff Hobbs	- Obtain Image Notes from Joe Carper
Eric Bayer	- Arrange for Speaker
Alan Rich	- Send out email pushes
Adam Lodge	- Arrange July Meeting Location

Next Major Meeting

Not scheduled but agreed upon to be in the Fall.

Location will most likely be Milpitas.
