1. Outline of Agenda for Sept 11 Major Meeting:

The group drafted the following schedule for the upcoming meeting:

10:00 Socialize

10:10 Welcome / Announcements

10:15 Speaker: Pierre LeRoux, Intergraph - to discuss the GeoMedia Transaction Manager and GeoMedia Parcel products. (Tentative)

12:15 Lunch / Socialize

12:45 Dave Lapp, Farallon Geographics – to discuss San Mateo County's Enterprise GIS and the role of Oracle Spatial and the Oracle Transaction manager in that system

1:45 Break

1:50 Tony Seebach, City of San Jose – to discuss the Integrated Development Tracking System using GeoMedia objects and the role of Oracle Spatial in that project.

2:50 Conclusion

2. Action Items for September 11 Major Meeting:

Roberto Molina is responsible for reserving the room (106 San Jose City Hall) from 9/9:30am until 3:00pm. Roberto will be ensuring that the room is equipped with the following:

- Internet connection

- Projector
- Microphone (there was discussion of whether or not this is necessary)
- Telephone line w/ Speakerphone
- Coffee for the beginning of the meeting (60 cups)

Eric Bayer is responsible for drafting an ad campaign for the meeting.

Jeff Hobbs is responsible for advertising the meeting through BAAMA channels using Eric's copy.

Jeff Fiore is responsible for providing lunch (Togo's sandwich platters) and getting some 30-day eval copies of GeoMedia 4.0 to hand out at the meeting.

Alan Rich is responsible for providing doughnuts to accompany the morning coffee.

3. Next Steering Committee Meeting

The next Steering Committee meeting is scheduled for Tuesday, October 9 at 10 am in Milpitas. The change in time was so that steering committee members from the Sacramento Area could be present.

4. Next Minor Meeting

The first Minor Meeting is scheduled for Tuesday, November 13 from 11:30 to 1:30 at a local restaurant to be determined (Alan Rich had a suggestion he will follow up on). The Minor meetings are designed to be informal discussion/networking sessions. Ideas for topics of discussion generated by the group were:

- Product Updates from HSV via Jeff Fiore (GM 5.0, in particular)
- List of Change Requests – Priority Level 1 and 2, via Jeff Fiore
- Possible presentations for next major Meeting

5. NCGUG Website

Jeff Hobbs showed the group the prototype site he has developed. The group was impressed and made some suggestions.

Jeff Fiore agreed to get the GeoMedia Font from Intergraph to Jeff Hobbs for use in the site.

Two ideas for success stories were:

- Alan Rich's experience w/ Point Loader
- The Guy from San Mateo (EB's suggestion) redistricting experience.
