Minutes
NCIGUC Steering Committee Conference Call
January 18, 2005

The NCIGUC Steering Committee held a conference call on Jan. 18, 2005 between 10 and 11 AM to discuss the next major meeting of the NCIGUC. Adam Lodge, Jeff Hobbs, Renee Gerasimtchouk, Eric Bayer, and Alan Rich participated in the call.
The following items were discussed:

Next Major Meeting – **Date:** **Wednesday, February 23, 2005**
Location: **City of Milpitas**
Action Item: Alan will arrange for the meeting location, coffee, and donuts.

Presentations – 3 of the 5 listed below:

Jerry Mucha – Using GIS for Public Health Management at San Mateo County
Action Item: Eric will contact Jerry

Lysee Moyaert – Update on the San Jose Airport GIS
Action Item: Renee will contact Lysee

Patrick Crevelt – Using GeoMedia Webmap to lookup parcel information
Action Item: Alan will contact Patrick

Adam Lodge – GeoMedia Hansen Interface

Backup Presentation - Shahid Mujtaba – Validating Geometry using Spatial Queries
Action Item: Alan will contact Shahid if needed

Each presentation will be 25 minutes, similar to the July, 2004 meeting format.

Workshops –

Workshop 1 - Adam Lodge – Spatial Analysis Using Aggregation and Analytical Merge

Workshop 2 – Renee Gerasimtchouk, Alan Rich – Making Differently Projected Data Work Together
Action Item: Alan will provide notes to Renee

Each workshop will be approximately 1 hour in length

Other –

It was agreed that lunch would be 1 hour 15 minutes similar to the November, 2004 meeting format.

Web Publisher 5.2 workshop postponed until future meeting

Future Meetings will be on July 20th in San Mateo, and October 26th in Milpitas
